

Covid-19

The safety of our pupils, parents and teachers is our top priority. Caroline Lee Dance Studio will take a cautious and measured approach to any changes the government may enforce or introduce regarding the pandemic.

We will remain vigilant and keep our Covid-19 protection measures in continual review.

1

Please do not bring your child to class if they are unwell or should be in isolation.

2

Please respect social distancing wherever possible, especially in the communal waiting areas. Although no longer mandatory, mask wearing is encouraged for adults whilst in the building.

3

Please encourage your child to wash their hands before and after each lesson. Hand sanitiser will be provided in the studio and waiting areas.

4

We will give attention to sanitising touch points in communal areas, regularly sanitising bathrooms and ensuring adequate ventilation.

5

Any equipment used, such as barres and acro mats, will be sanitised at the end of every lesson.
